

When thinking about buying, consider these facts.

Triton Protect Car Care System® provides long term protection of the appearance of your vehicle. It also provides worry free driving while you own your vehicle and guarantees a higher resale value at trade-in.

Fact #1

Appearance of your vehicle is one of the most important factors in determining its value at the time of trade-in.

Fact #2

The manufacturer's warranty only covers manufacturer's defects of your vehicle's paint and interior.

Fact #3

New vehicle paint is extremely susceptible to damage from the environment.

Fact #4

Off the shelf waxes are susceptible to heat degradation and do not provide long term protection against the environment.

Fabric Protection Comparison Test

Water Spill

Oil Spill

Untreated Fabric

This untreated fabric quickly absorbed both water and oil spills. This same fabric treated with **Triton Protect Fabric Protection with Banoyl** will give you the opportunity to remove the spill without being absorbed.

Water Spill

Oil Spill

Silicone Treated Fabric

This silicone treated fabric repelled water but quickly absorbed the oil spill. A fabric treated with **Triton Protect Fabric Protection with Banoyl** repels both water and oil spills.

Oil Spill

Fabric Treated with Triton Protect Fabric Protection with Banoyl

Triton Protect Fabric Protection with Banoyl forms an invisible surface barrier which helps keep spills from being absorbed into the fabric. Spills simply bead up on the fabric surface and can be wiped away easily.

Vinyl & Leather Conditioning

Sun and age have a way of fading and cracking your car's vinyl and leather. But we have a way of protecting them and making them look good in the process. **Triton Protect Vinyl & Leather Conditioner** gives vinyl and leather a soft finish and a beautiful, rich look. And it doesn't leave a greasy film.

- Conditions and protects
- Fights fading and cracking
- UV inhibitions seal out ultraviolet rays

Fabric Protection with Banoyl®

- Encapsulates the individual fibers
- Repels both oil and water-based stains such as coffee, Kool Aid, grease, soft drinks and food spills
- No reapplication necessary
- Easy cleanup – spills simply lift away
